Namokar Eye & Oculoplasty Centre

Eye Plastic & Reconstructive Surgery

✓ **Eyelid cosmetic surgery (Blepharoplasty)**

For youthful, refreshed and naturally contoured eyelids.

✓ **Drooping eyelid correction (Ptosis Surgery)**

Restoring eye openness, symmetry and clear vision.

✓ **Under-eye bag removal**

Eliminating tired appearance for a fresher, brighter look.

✓ **Dark circle treatment**

Reviving under-eye brightness and skin clarity.

✓ **Tear trough correction**

✓ **Brow lift**

✓ **Artificial Eyes**

What is Oculoplasty?

Oculoplasty focuses on **cosmetic** and **reconstructive** surgery of the eyelids, tear ducts, and surrounding facial structures.

It blends medical precision with aesthetic artistry to enhance appearance, comfort, and eye function, delivering natural, long-lasting results.

At **Namokar**, we provide advanced oculoplastic care using modern techniques and international safety standards.

Why Choose Us?

- **25+ Years** of Surgical Excellence
- **One of North Delhi's Few Dedicated Oculoplasty Specialists**
- **Internationally Trained & Renowned Surgeon**
- **Personalised, Customised Patient Care**
- **NABH-Accredited** Advanced Surgical Infrastructure
- **Proven Results** with Thousands of Satisfied Patients
